

So, am I ready/qualified to receive 3D Areola Restoration?

If you can check all of the boxes below, then the answer is YES!

- ☐ Green light from plastic surgeon
- ☐ Green light from primary if you have any other health concerns (like diabetes)
- ☐ At least 12 weeks after your last surgery
- ☐ Done with chemo and radiation
- ☐ Have no future surgeries (besides future implant replacements)
- ☐ No Nickle allergy
- ☐ No allergy to Lidocaine (if needed)
- ☐ No swimming/tubs for 10 days after tattoo
